

Pre Program

WRIST ARTHROSCOPY COURSE

Training on Anatomical Specimen

Advanced Course - Taiwan

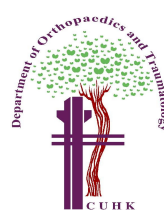

November 6th and 7th 2010

Organized by GEAP-EWAS

With the support of :

FESSH, Honk-Kong Society for Surgery of the Hand, CUHK Depart. of Orthopaedics and Traumatology

Course Director :
C. MATHOULIN (France)
W.C. CHEN (Taiwan)

Co Course Director :
P.C. HO (Hong-Kong SAR, China)
T. NAKAMURA (Japan)

Faculty :

W.J. CHEN (Taiwan)
W.-L. TSE (Hong-Kong SAR, China)
J.-T. SHIH (Taiwan)
Y. ABE (Japan)
A. WAHEKONGAR (India)

G. BAIN (Australia)
D. FONTES (France)
M. HAERLE (Germany)
P. LIVERNEAUX (France)
A. CHOI (Hong-Kong SAR, China)

EWAS Wrist Arthroscopy Course 2010

Saturday, November 6th

Morning

08.30	Lecture 1	
	TFCC repair, a new approach (30 min) TFCC reconstruction (30 min)	T. Nakamura P.C. Ho
09.30	Practical Session 1 (Part 1) TFCC Reconstruction	
09.30	Experts help students directly at their allocated tables on an anatomical specimen with simultaneous teaching Individual practical training by students (1 expert for 2 operating tables)	<i>All Experts</i>
10.45	Break (30 min)	
11.15	Practical Session 1 (Part 2)	
12.30	Lunch at the Institute	

Afternoon

02.00	Lecture 2	
	Scapho-lunate Tears (30 min) Wrist arthroscopy dorsal capsuloplasty (WADC)(20 min)	G. Bain C. Mathoulin
03.00-04.15	Practical Session 2 (part 1) Scapho-lunate tears, WADC	
02.50	Experts help students directly at their allocated tables on an anatomical specimen with simultaneous teaching Individual practical training by students (1 expert for 2 operating tables)	<i>All Experts</i>
04.15	Break (20 min)	
04.35-05.30	Practical Session 2 (part 2)	

EWAS Wrist Arthroscopy Course 2010

Sunday, November 7th

Morning

08.30	Lecture 3	
	Sauve-Kapandji Procedure (30 min) 1st CMC arthritis : arthroscopic treatment (20 min)	M. Haerle D. Fontes
09.00	Practical Session 3 (Part 1) scaphoid non union	
09.00	Experts help students directly at their allocated tables on an anatomical specimen with simultaneous teaching Individual practical training by students (1 expert for 2 operating tables)	<i>All Experts</i>
10.30	Break (30 min)	
11.00	Practical Session 3 (Part 2)	
12.15	Lunch at the institute	

Afternoon

01.30	Lecture 4	
	Wrist arthroscopy in distal radius fracture (30 min) Scaphoid Non-union (30 min)	Y. Abe W.L. Tse
02.00	Practical Session 4 Distal radius fracture ITS plate	

4.00 End of the seminar

Special thanks to Karl Storz Endoscopie which financial contributions and technical supports enabled us to set up this course.
